**Νους: Λόγια Σοφών Ανθρώπων**

- Η ευτυχία ευεργετεί το σώμα, ενώ η λύπη αναπτύσσει την δύναμη του νου **Ράσκιν**
- Η καλλιέργεια του νου είναι τόσο αναγκαία, όσο η τροφή για το σώμα **Κικέρων**
- Η λογική είναι ο θυρωρός του νου **Βολταίρος**
- Νουν ηγεμόνα ποιού (Τον νου να κάνεις άρχοντα -των πράξεών σου) **Σόλων**
- Νους είναι η ηλεκτρική δύναμη του εγκεφάλου
- Νους ορά και νους ακούει (Μόνο ο νους βλέπει και ακούει) **Επίχαριμος**
- Νους υγιής εν σώματι υγιεί (Υγιής νους υπάρχει σε υγιές σώμα) **Αρχαίο ρητό**
- Ο εγκέφαλος είναι ένα διυλιστήριο της ιδέας
- Ο νους είναι η χαϊδεμένη κόρη της λογικής **Αριστοτέλης**
- Ο νους και ο διαλογισμός δεν μπορούν να συμβιώσουν. Κανένας δεν μπορεί να τους έχει ταυτόχρονα. Μπορείτε να έχετε ή τον νου, ή τον διαλογισμό, γιατί ο νους είναι συλλογισμός, ενώ ο διαλογισμός είναι σιωπή. Νους σημαίνει περιπλάνηση και αναζήτηση εξόδου μες στο σκοτάδι. The Assumption's We Are Family Talent Show and Silent Auction has come and gone. And what a night! From preshow wine and hors oeuvres thru delicious desserts and coffee a fabulous evening was had by all. The talent was superb and the Philoptochos finale was great. We wish to thank all those who made this possible and those who shared their talents. Without them it never would have been possible. Also, thank you to those who attended and gave us their heartwarming applause, bravos and cheers. The Silent auction was a success far beyond our expectations. It all was a lot of fun and very exciting. Hopefully, this could become an annual event

**June's Prosforo** is donated by Athena Se-hremelis. Thank you. If you want to donate the Prosforo please call Voula at the church office at 562-494-8929.

Happy "Name Day"!

### *Pastor's Message*

For over 2000 years we have honored and celebrated the Saints of our Church. Saint John Chrysostom states how we honor and try to imitate the lives of the Saints by bearing their name. Our name day is important because it celebrates our Christian identity. It is a celebration of our faith where Christ is at its core. When we celebrate our Patron Saint, we celebrate who they are and we celebrate their life, which was Christ centered. Our Patron Saints lived and died for Christ. Our Saints receive their Saint Hood in Christ and His Resurrection. Therefore we can not truly celebrate our Name day if we do not have faith in Christ. To truly celebrate your Feast day/Name day means you are connecting with your Saint or Saints who inspire us to follow Christ.

It is imperative that we teach and pass on the celebration of Church Name Days/ Feast days and how to celebrate them to future generations. Do we simply wish our children a "Happy Name day" and move on or do we honor the day? If we treat Feast days in a casual manner, it will become as relevant to our youth as Groundhog Day. If we celebrate our Saints, our Children will do the same. In most Orthodox countries, one's name day celebration is more festive than their Birthday. In Serbia for example, families celebrate Family Patron Saints (called a Slava), where the father's family saint is passed down. When the Serbians converted to Christianity in the 9th century by Sts Cyril and Methodios, the families did not change their names but took on a family saint and since then they passed it down for generations till today. They gather together in the oldest living relative's house and celebrate the living members and pray for those whom have passed on.

How should we celebrate our name day /our patron saints day?

**Read** the life of our Saint. We must know who we are celebrating. Our Saints are our role models. This day is not about our accomplishments it is about honoring the saint and we must know why they are honored. If your name is not after a specific saint. Then your name day is on All Saints day ( the Sunday after Pentecost). All Saints Days celebrates all the Saints that are known or unknown. Your name could be a new saints name in the future. You can also choose a Saint that most inspires you.

**Go** to Church. If there is Liturgy that day it is important to go and participate. In the Divine Liturgy we are communing with Christ, and commemorate his Saints and those whom have passed on. By taking the day off for work or school, no matter what age, we are showing that our faith is the center of our life. If we can miss a day of work or school for an extracurricular activity, then we can most certainly do it for our Saint once a year. If there is no Liturgy that day, then coming to church to light a candle and **pray** to your Saint is important.

**Honor** the Living. Wish many years of good health to all those who share the same Saint as you .

**Remember** the deceased. If your name was passed down from generation to generation it is important to not only remember those who celebrate on Earth but those whom celebrate in Heaven. Their memory is eternal if we remember them.

**Celebrate** with family and friends. Christ said "When two or three are gathered in my name, so there am I" (Matthew [18:20](#)) The Church is a collective body of people. As you would not celebrate your Birthday by yourself, your name day is to be celebrated with others because it is about your Identity as an Orthodox Christian celebrated with others.

**Thank** God for every blessing you have and your Saint for always interceding for you. When someone wishes you Hronia Polla, (Many Years), pray and thank God for them.

May our Saints always inspire, pray and intercede for us! Amen

Fr. Christos

## President's Message

Assumption's Got Talent! We had a great time at our Talent Show, which was organized by our Choir as an entertaining way to get us together to have fun and raise funds for replacing our organ. For those of you who missed it, well, you really missed out! We started out with one of our Sunday School students who was just four years old playing the piano and ended with ladies of our Philoptochos singing a funny parody, and in between we had wonderful instrumentals and even some great singing. Thank you again to our Choir Board President Cecilia Kourtis and Choir Director Penny Benetatos for giving us such a wonderful evening. Let's do this again next year!

We also just had our Festival Kick-off meeting. As you know, our Festival is our largest source of income next to Stewardship and is not only critical for paying our current obligations but also expanding our programs and ministries for the benefit of all at Assumption and outreach to our community. Three important efforts which happen well in advance of the Festival that help insure our success are the raffle, ad book, and also donations & sponsorships. It's not rocket science - if we are successful in each of these three areas, we will lock in successful

Festival profits before we open our grounds on Labor Day and regardless of weather, attendance, etc. If you are looking for a meaningful way to help our Festival and Panagia and to really make a difference, please contact our Festival Co-chairs Dino Syrengelas and Jim Eleopoulos.

Last month, I mentioned that we are looking to fill a new position for Pastoral Assistant which will also serve as Youth Director and help Father Christos as we continue to grow (by the way, we have already grown by over 20 families this year!). We have interviewed two excellent candidates who have just graduated from the Seminary, have great camp and youth experience, have wonderful references, and speak excellent Greek. So the prospects are very good that we will have this position filled by the end of summer.

Lastly, I would like to congratulate all of our sixty-some GOYA and Young Adult basketball players. All of our teams made it to the playoffs and made us all proud with their spirit, their talented play, and their sportsmanship. Thank you again to George Karidakis for organizing our basketball efforts this season, to the Coaches which donate so much of their time and talents to teach team play, the GOYA Moms who run the snack bar, and to the parents who support this important program - practice after practice, year after year.

## Philoptochos

Here we are into the summer months already! Amazing how the time flies. We are half way through the year. The summer months mean traveling to visit our beloved Country of Greece or other destinations you may prefer. In any event, WE wish everyone a safe and pleasant journey.

**Kids N Cancer** was a great success. Our Assumption Long Beach Philoptochos through the generosity of all you reading this today, was able to donate \$14,000.00 towards Camp Agape. The smiles will be many for those children who otherwise could not attend such a worthwhile Camping event. It means a lot to the families of these children stricken with cancer. I have a big favor to ask; we have one little boy in particular who just loves match box cars. I'm asking If any of you reading this today have any lying around from your children or grandchildren and would like to give them to this adorable little boy please let me know. I'll make sure he gets them. A special Thank you to Karen Fic for chairing this beautiful outreach again this year! Great job Karen!

We will be making presentations to our High School and College Graduates on June 14<sup>th</sup> in Church. We are in hopes all graduates will be in attendance. WE are ALL so proud of each of YOU and wish you continued success in the years to come. (Note: If you have a Son or Daughter graduating from High School or College this year could you make sure the Church Office knows. WE do not want to forget anyone. To date we have a total of 16 Graduates).

**Assumption's Got Talent** – What a fun evening that was. If you weren't in attendance you missed out! So much talent within our own Church it's unbelievable! You can't believe how beautiful the entire evening was. We are all so proud of these young people who had the courage to perform for us. It was spectacular. Philoptochos did their part by doing a little Parody. If you missed that part of the program you really did miss "A good laugh".

Have a safe and sane summer!  
Bobbie Soupos, President

## Greek School

Greek School has come to an end for the school year 2014-2015. Graduation will be held on Wednesday, June 3rd 2015 in the Cultural Center. The students had a very productive year and we are so proud of them. We strongly encourage the parents and the students to go over the material they learned this year over summer vacation. This way they won't forget the material and it will help them in their future studies.

Registration for the School Year 2015-2016, will be held on Wednesday, September 9th, 2015 and classes will start on Wednesday, September 16th, 2015. Dates are due to change. Please read the Panagia every month for updates. Have a safe and wonderful summer.

Kathryn Condaras, Principal

## Little Lambs

We have had an amazing year! The kids have grown to love singing, dancing, doing crafts and playing together during class. We will not be meeting during the summer but will continue again in the fall. If you have little ones, please join us for all the fun. It has truly been a blessing to see the huge smiles on the children's faces and we want to make it grow! Thank you to all the families that have made Panagia's Little Lambs a success and a part of their lives.
